**Air Quality, Transport and Urban Development portfolio comments:**

We should use the railway from Rolleston and Rangiora into Christchurch for public transport. Many people would use this who would not use buses. We need to also rapidly improve the bus service and bring in more electric buses.

**Is the proposed increase in rates affordable for your household?** Option 1 is affordable

**Any further comments on affordability for your household?**

This is affordable for me.

**Is the proposed increase in rates affordable as a whole for the Canterbury community?** No

**Any further comments on affordability for the community?**

It is affordable for most but there are many households struggling so there must be support for those who cannot pay more.
