**Should we continue investing in MyWay by Metro, Timaru's on-demand public transport service, after the trial period is completed?** Yes

**Any further comments on MyWay by Metro? Yes**

This transport service has meant travel around Timaru for children to teens is so much accessible. It means they can go to town easily or to lessons or sport after school if parents are working. It sounds also invaluable for the elderly who may not drive. In addition when international students return, it will be an easy affordable option for them. It also has the potential to reduce Timaru carbon footprint if multiple people travel together.
