There is personal information/contact details in my submission I do not want disclosed: No

From:

To:

Subject: My way public Transport submission. My way is the way to go ,but,more elderly people would use it if they could handle the technology. Maybe it would work better, if the buses still picked up from the centre of town at designated existing stop s.

Date: Friday, 2 April 2021 4:06:00 pm

This would mean older people,or those without phones could wait at certain stops in town for pickup,
Regards Eddie White. -
