<b>Air Quality, Transport and Urban Development</b>	Yes
<b>Regional and Strategic Leadership</b>	Unsure
<b>Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):</b>	Air Quality, Transport and Urban Development

**Air Quality, Transport and Urban Development portfolio comments:**

I believe that safe cycling infrastructure is critical to reducing climate change with the added benefit of a healthier lifestyle to the cities residents. It will enable children to safely cycle to school again, as well as becoming a key transport method for workers around the city. The reduction in greenhouse gases and congestion will be a win for the city and the planet. Recreational cycling and all of the health benefits will also be enhanced.

**Is the proposed increase in rates affordable as a whole for the Canterbury community?** Don't know

**Do you support the changes we're proposing to how we apply Uniform Annual General Charges?** Don't know

**Would you support the use of borrowing for operating expenditure to offset some of the first year rates?** Yes
