Which age category are you in? -

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

Rates that are increasing too fast and are unaffordable for those of us on reduced incomes due to covid.

Which of the proposed options would you like to see us progress with? Option 2: statutory work and prior commitments

Do you generally support the activities proposed in the following portfolios:

Water and Land	Unsure
Biodiversity and Biosecurity	No
Climate Change and Community Resilience	No
Air Quality, Transport and Urban Development	No

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household? Neither option is affordable

Any further comments on affordability for your household?

My income was reduced to 60% during covid. Ideally ECan should reduce its income too, but as a minimum, any rate rises should be no more than inflation of approx 2%.

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Any further comments on affordability for the community?

Many others in the community cannot afford the proposed rate rises.
