**Are you submitting on behalf of an organisation?** No, I'm submitting as an individual

**Are you willing to tell us more about yourself?** Yes

**Which age category are you in?** 65+ years old

**Which suburb or area do you live in?**

**Do you think we've prioritised the right issues and opportunities?** No

**What do you feel are the significant challenges and opportunities we face?**

Challengers are to draw the strengths of your Community together, to achieve better Enviromental outcomes for all

**Which of the proposed options would you like to see us progress with?** Option 1: statutory work, prior commitments and accelerating key initiatives

**It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?**

To divide a Community will never achieve an outcome that is sustainable..

**Do you generally support the activities proposed in the following portfolios:**

<b>Water and Land</b>	Yes
<b>Biodiversity and Biosecurity</b>	Yes
<b>Climate Change and Community Resilience</b>	Unsure
<b>Air Quality, Transport and Urban Development</b>	Yes
<b>Regional and Strategic Leadership</b>	Unsure

**Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):** . Water and Land

**Water and Land portfolio comments:**

Guardianship of the Land is not something that is best served by trying to collectively manage ,eg Govt or Ecan or any group that has no direct personal connection with it..  
Encourage / lead / persuade /educate and acknowledge those who can and will introduce better enviromental outcomes

**Do you support the rationale and proposed changes in the draft Fees and Charges Policy?** No

**Any further comments on the Fees and Charges Policy?**

Suggesting rate rises[ as proposed,] will change outcomes ,is totally flawed and irresponsible, and challenges the creditability of our Councillors..
