Are you submitting on behalf of an organisation?	No, I'm submitting as an individual
Are you willing to tell us more about yourself?	Yes
Which age category are you in?	40-64 years old
Which suburb or area do you live in?	
Do you think we've prioritised the right issues and opportunities?	Yes
Which of the proposed options would you like to see us progress with?	Option 1: statutory work, prior commitments and accelerating key initiatives
It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?	
<p>I fully support the move to low or zero-emission vehicles and continue to make improvements to the public transport system including better payment and top-up systems, and upgrading infrastructure to provide a seamless service for users., so its wise to take advantage of Waka Kotahi grants. There are so many pain points with public transport in Christchurch city. The balance of spend across the portfolios looks fair given our need to prioritise freshwater and climate change.</p>	
Do you generally support the activities proposed in the following portfolios:	
Water and Land	Yes

Biodiversity and Biosecurity	Yes
Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	Yes
Regional and Strategic Leadership	Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Is the proposed increase in rates affordable as a whole for the Canterbury community? Don't know

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Don't know

Any further comments on Uniform Annual General Charges?

Makes sense for everyone to pay a flat fee for the parks, youth engagement, air quality and Canterbury Maps.
