Which age category are you in?	-
Do you think we've prioritised the right issues and opportunities?	No
Which of the proposed options would you like to see us progress with?	Other option (please specify)

Push back to Central Govt on regarding Fresh water policy, as 60m of rate payers money has already been spent implementing the current LTP , spending another 30m plus to establish a new long term plan is crap.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Unsure
Biodiversity and Biosecurity	Unsure
Climate Change and Community Resilience	Unsure
Air Quality, Transport and Urban Development	Unsure

Regional and Strategic Leadership

Unsure

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household?

Neither option is affordable

Is the proposed increase in rates affordable as a whole for the Canterbury community?

No

Any further comments on affordability for the community?

Rural Properties are taking a hit

Do you support the changes we're proposing to how we apply Uniform Annual General Charges?

No

Any further comments on Uniform Annual General Charges?

The uniform UADC needs to be increased further to spread the burden i over all properties.
