Are you submitting on behalf of an organisation?	No, I'm submitting as an individual
Are you willing to tell us more about yourself?	Yes
Which age category are you in?	40-64 years old
Which suburb or area do you live in?	
Do you think we've prioritised the right issues and opportunities?	Yes
Which of the proposed options would you like to see us progress with?	Option 1: statutory work, prior commitments and accelerating key initiatives
It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?	
<p>The public being granted the opportunity to be heard on any decision made by elected representatives any delegated authority that has consequences for public health and the environment.</p> <p>2 That Environment Canterbury prioritise and resource an urgent plan change to the Canterbury Land and Water Regional Plan, that actively provides for public input when processing resource consents that have consequences for public health and the environment. Until then, these consents should not be granted</p> <p>3 No new or renewal water consents be granted without a proposal for land use change that would reverse the current state of our rivers and aquifers i.e. regenerative farming or fibre production(hemp)</p>	

4 Be bold and request more cash from the government to support dairy farmers to change their land use

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes
Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	Yes
Regional and Strategic Leadership	Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

I would be incredibly angry if the proposed rates increase did not change the way Ecan was managed and it just became business as usual. The new councilors got voted in on bold initiatives- now is the time to deliver

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Yes

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? Yes

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? Yes

Where do you live in Canterbury? Select your district below: Christchurch city including Banks Peninsula

Any further comments?

Please be bold and not get pressed by big business and Ngai tahu into continuing the status quo. If you actually manage by your values then People First should indicate that your decision-making process would not allow the use of our precious water to be used by a business for the purpose of profit unless it supported the regeneration of our environment and caused no harm- it can be done
Love the soil
