Will struggle to pay proposed increases on my rates bill. Pension only goes so far you know..... Why do you need full amount straight away, can you not borrow like Council does. this lessens the rate increases.....

Reject how you are going about financing changes. Look at borrowing Options like the Councils are doing and look at certain changes only each year. Not trying to do everything at once and expecting us ratepayers to fork out the cost all at once. Bet ya, your rates won't decrease they'll continue to go up each year
