Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? Yes

Which age category are you in? 40-64 years old

Which suburb or area do you live in?

Do you think we've prioritised the right issues and opportunities? Don't know

Which of the proposed options would you like to see us progress with? Option 1: statutory work, prior commitments and accelerating key initiatives

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Please make this the number one priority when it comes to supply, discharge and sustainable water quality! "Collecting and managing good quality trusted data that can be accessed and used by the community and key organisations ensures we have a shared understanding of the trends and actions needed to report on and meet statutory requirements and environmental outcomes."

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
-----------------------	-----

Biodiversity and Biosecurity	Yes
Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	Yes
Regional and Strategic Leadership	Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

In future, please use graphics to correlate a percentage of ECans revenue to the the full cost of an impact area (including a fair allocation of all overheads such as governance). Ideally show any areas where there is a cross-subsidy, e.g. rural ratepayers subsidising urban transport and urban ratepayers subsidising rural water quality and runoff improvements.

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Any further comments on affordability for the community?

See this as an honourable investment so our children and grand-children have decent chance in the future.

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Don't know

Any further comments on Uniform Annual General Charges?
