It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Appreciate the point around enabling compliance. More support is needed to help people achieve those rules/goals, rather than just punishing people when they are broken. I think this is especially important for environmental aspects.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes

Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	Yes
Regional and Strategic Leadership	Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Air Quality, Transport and Urban Development

Air Quality, Transport and Urban Development portfolio comments:

Alongside providing infrastructure, I think it's really important to try change people's opinions surrounding using a bus (e.g., dirty, unsafe late at night, takes more time than driving) and to make the bus fares a lot cheaper - currently it's easier and more economical to drive than use the bus.

Any further comments on affordability for your household?

Don't know because I rent.

Is the proposed increase in rates affordable as a whole for the Canterbury community? Don't know

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Don't know
