Water and Land portfolio comments:

Absolutely vital this area is well resourced, as per option 1

Biodiversity and Biosecurity portfolio comments:

Climate change and the threats that brings from new pests and challenges to biodiversity make increased funding in this area essential.

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

It is a small price to pay when spread across all rate payers. It is so important that we move beyond the status quo and take actions that will make a difference.

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Any further comments on affordability for the community?

It is a small price to pay when spread across all rate payers. It is so important that we move beyond the status quo and take actions that will make a difference.

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Yes

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? No

Any further comments on the use of borrowing for operating expenditure?

I think we should just manage the increased expenditure through rates increases as per option 1

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? Yes
