Should we continue investing in MyWay by Metro, Timaru's on-demand public transport service, after the trial period is completed? Yes

Any further comments on MyWay by Metro? Yes

I would like My Way to continue and expand in the future to include our immediate region, transport to places such as Waimate, Geraldine, Pleasant Point, Tekapo for example. It is important to get cars off the road and still offer opportunity for citizens to travel within the region. If the service was available the demand may well increase. At least, an assessment if there is interest for this to happen could be useful.

I support the use of the smaller vehicles to continue as per the My Way initiative.

Also, I would find it more convenient to have fixed routes and a fixed timetable rather than ringing the call centre or using the app as is currently in place.
