Affordability/how we're proposing to pay for these activities

Tell us your view on the affordability of the proposed increase in total rates revenue (under Option 1 or Option 2). Please check our rates calculator [ratescalculator.ecan.govt.nz](https://ratescalculator.ecan.govt.nz) as the increase will be different for different ratepayers, depending on your property and land value and location.

Is the proposed increase in rates affordable for your household?

- ☐ Option 1 is affordable  
☐ Option 2 is affordable  
☐ Neither option is affordable

Any further comments on affordability?

---

---

---

Is the proposed increase in rates affordable as a whole for the Canterbury community?

- ☐ Yes  
☐ No  
☐ Don't know

Any further comments on affordability for the community?

### Do you support the changes we're proposing to how we apply Uniform Annual General Charges?

- ☐ Yes  
☐ No  
☐ Don't know

Any further comments on how we apply Uniform Annual General Charges?

---

### Borrowing

Borrowing can be used to spread the burden of a high-cost activity over several years. We usually consider it appropriate to spread the cost of an activity because the benefit of the activity lasts the same time or longer than the repayment period. With a potential 10-year loan period, repayments would have some impact on rates for 13 years.

### Would you support the use of borrowing for operating expenditure to offset some of the first year rates?

- ☐ Yes  
☐ No  
☐ Don't know

Any further comments on borrowing for operating expenditure to offset some of the first year rates?

---

---

---

### Fees and Charges

Our Fees and Charges Policy sets out how much users will pay for activities like consents, compliance and monitoring, harbourmaster and navigation safety, and holding events in regional parks and forests.

### Do you support the rationale and proposed changes in the draft Fees and Charges Policy?

- ☐ Yes  
☐ No  
☐ Don't know

Any further comments on the draft Fees and Charges Policy?

### Local projects and new initiatives

We're also seeking feedback on whether we should continue investing in some of our existing projects that are funded by targeted rates or try these new initiatives in other districts. New projects will not commence until 2024.

Should we continue investing in MyWay by Metro, Timaru's on-demand public transport service, after the trial period is completed?

- ☒ Yes  
☐ No  
☐ Don't know

Any further comments?

It would be far more helpful if you would access our village with a one drop off and Pickup area.

The Hekeao Hinds Managed Aquifer Recharge is a pilot of environmental infrastructure to address water quality. To continue enhancing this infrastructure, the project would require ongoing targeted rates from the Ashburton district. Do you want to see this project continue?

- ☐ Yes  
☐ No  
☒ Don't know

Any further comments?

## Thank you

Thank you for taking the time to make a submission on the draft Long-Term Plan 2021-31.

As a resident of Elloughton Village and President of the residents committee I am writing to you with these major safety concerns of all residents and family members who need to use the round about at our entrance. That is Old north road, Pages road, Selwyn Street and exit from Elloughton Village also Elloughton Gardens rest home.

There is a very large number of older folk in this area with another village next door plus school children from two schools near by.

Many of the traffic neither slow down or give way to their right as is part of our road code.

We so far have not yet had a fatality but some VERY CLOSE calls

Do we have to wait until something happens like a death or serious injury before something is done.

Maybe Flashing signs or Slow Down Elderly People and school children ahead.

I have spoken to Senior Sergeant Dave Hinde about this dangerous situation and has said this is out of their jurisdiction and it is a Council Problem

My husband and I also spoke to Peter Burt our City Councillor for transport and roads who asked to put this Very Serious Problem in writing.

Our village manager supports our efforts to have this addressed and rectified

Joan and Tony Ruston
