Are you willing to tell us more about yourself?	Yes
Which age category are you in?	40-64 years old
Which suburb or area do you live in?	
Which of the proposed options would you like to see us progress with?	Option 1: statutory work, prior commitments and accelerating key initiatives
It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed? Its right there in front of you, its in the name ECAN. ENVIRONMENT Canterbury. Environment is the absolute priority above all self interest and business.	
Do you generally support the activities proposed in the following portfolios:	
Water and Land	Yes
Biodiversity and Biosecurity	Yes
Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	Yes

Regional and Strategic Leadership Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

- . Water and Land
- . Biodiversity and Biosecurity
- . Climate Change and Community Resilience

Water and Land portfolio comments:

Its all about water quality. The water should not have detrimental effects on humans, wildlife and the environment as it does at present.

Biodiversity and Biosecurity portfolio comments:

Wetlands are far more important than have been realized up to now and need to be reinstated at an ever increasing rate.

Climate Change and Community Resilience portfolio comments:

People need more help in adapting their property and land to climate change. We can't carry on as previous.

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

If we get more help in improving water quality now the cost now will seem cheap compared to the cost of future problems poor water will cause.

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Any further comments on affordability for the community?

If I am paying more I shall expect more from ECAN and they should continually becoming more efficient.
