No more dairy farms, we have enough. The environment, and fauna and flora are decreasing because of selfish greed. We all need to have a happy and healthy life, which is continually eroded, causing suffering and stress. Help farmers to remove damaging nitrates. Please do something about proper removal of plastic waste as well as affecting animals and fish, it is now in Canterbury's air. We all benefit from a compassionate and caring council. And please NO MORE WATER BOTTLING PLANTS.
