**Is the proposed increase in rates affordable for your household?** Option 1 is affordable

**Any further comments on affordability for your household?**

It's a given that we all need to prioritize and invest in the environmental issues outlined. We would all adjust to the rates increase and reminds people we cannot just be takers but also need to be givers...that's the whole point of how humans are extracting and dominating the natural world without taking responsibility. Rates increase = personal responsibility

**Is the proposed increase in rates affordable as a whole for the Canterbury community?** Yes

**Do you support the changes we're proposing to how we apply Uniform Annual General Charges?** Yes

**Would you support the use of borrowing for operating expenditure to offset some of the first year rates?** Don't know

**Do you support the rationale and proposed changes in the draft Fees and Charges Policy?** Don't know
