Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? Yes

Which age category are you in? 25-39 years old

Which suburb or area do you live in?

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

Plans already in place that have had to be altered to fit the EFW and already cost ratepayers \$60m, ecan should push harder for these plans to be recognised by central government

Which of the proposed options would you like to see us progress with? Other option (please specify)

The rates rise should be limited to 10% the 25% rise is unacceptable, ecan should focus on core activities

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Remove renewing subregional plan and recognise the \$60m of ratepayers money already spent on developing plans

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes
Climate Change and Community Resilience	No
Air Quality, Transport and Urban Development	No
Regional and Strategic Leadership	No

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Water and Land

Water and Land portfolio comments:

Don't support having to redo plans to fit with the EFW

Is the proposed increase in rates affordable for your household? Neither option is affordable

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Any further comments on affordability for the community?

Ecan should reduce there spending

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? No

Any further comments on Uniform Annual General Charges?

More of the costs of running ecan should be payed for by people in Christchurch

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? No

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? No

Where do you live in Canterbury? Select your district below: Ashburton district
