Climate Change and Community Resilience portfolio comments:

We need much more urgent and bold action on climate change than this and more mitigation and adaptation strategies for a just transition

Air Quality, Transport and Urban Development portfolio comments:

I'm like to see free or much cheaper public transport for youth, and more forms of free public transport.

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

No

Is the proposed increase in rates affordable as a whole for the Canterbury community? Don't know

Any further comments on affordability for the community?

I think everyone is in a different financial position and it's very difficult to speak for Canterbury as a whole
