Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? No

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

Hanging the mindset of people to get out of cars and onto micro mobility (bikes, walking, scooters, carpool) and not continuing with urban sprawl.

Which of the proposed options would you like to see us progress with? Option 1: statutory work, prior commitments and accelerating key initiatives

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Increase the bus priority lanes and make it a dollar a ride regardless of distance. Remove the zoning to Lincoln Uni students can afford it.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes

Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	Yes
Regional and Strategic Leadership	Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

.	Climate Change and Community Resilience
.	Air Quality, Transport and Urban Development

Climate Change and Community Resilience portfolio comments:

Be more aggressive with petrol emission vehicles being forbidden in CBD so people must use bud/bikes/ etc

Air Quality, Transport and Urban Development portfolio comments:

Remove high bus fares.
Remove zones. Need \$1-2 fares to Lincoln Uni/ Rolleston. Biggest polluter is busses running under capacity

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

Perhaps increase rates for people earning more.

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Any further comments on affordability for the community?

Rates should pay for busses not user pay. Mobility is a right not a priveledge.

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Yes

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? Yes

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? Yes
