Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

Option 1 will be difficult to afford as will option 2. However environmental priority is a way I would like to see my rates being spent.

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Yes

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? No

Any further comments on the use of borrowing for operating expenditure?

If we borrow to sustain to support responsible environmental stewardship, it may potentially increase the pressure on future generations when our commitment is to reduce it.

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? Yes
