I believe Ecan is deliberately dragging the chain over reducing farm runoff. There is a culture from the chief executive down which facilitates agribusiness at the expense of surface and ground water. Ecan must be prepared to take on public input and opinion as short term land use consents are renewed. The MHV consent application would be a good place to enforce meaningful runoff reductions.

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Water and Land

Water and Land portfolio comments:

Please curtail the MAR experiment. MAR has been problematic, to say the least, overseas. It just further exhausts the flows in the rivers extracted from.
