Water and Land portfolio comments:

Plan Change 2 is clearly already achieving the pathway to the EFW objectives and I strongly object to the plan and recommend that investment is focused on areas without sub-regional planning framework in place.

Is the proposed increase in rates affordable for your household? Neither option is affordable

Any further comments on affordability for your household?

These increases are not shared equally across Canterbury and the rural communities are shouldering a disproportionate share.

It is concerning that such a significant spend is proposed to rewrite a plan which is delivering on improvements and where there is considerable alignment already with the new EFW.

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Any further comments on affordability for the community?

These increases are not shared equally across Canterbury and the rural communities are shouldering a disproportionate share.

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? No

Any further comments on Uniform Annual General Charges?
