| Comment ID | 996 |
| Response Date | 11/04/21 7:37 PM |
| Status | Submitted |
| Submission Type | Web |
| Version | 0.1 |
| First name | Rata |
| Surname | Airey |
| Email address | |
| Are you submitting on behalf of an organisation? | No, I'm submitting as an individual |
| Are you willing to tell us more about yourself? | Yes |
| Which age category are you in? | 15– 24 years old |
| Do you think we've prioritised the right issues and opportunities? | Yes |
| Which of the proposed options would you like to see us progress with? | Option 1: statutory work, prior commitments and accelerating key initiatives |

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

zero emission public transport rather than low emission public transport use rail give incentive to use public transport make it free. work with other agencies to incentivise transition to EVs. increase network of cycleways. Incentivise green transport (including biking walking etc). submit against tarras airport. expand environmental education funding to outside of just enviro schools program.

Do you generally support the activities proposed in the following portfolios:

| | |
|---|-----|
| Water and Land | Yes |
| Biodiversity and Biosecurity | Yes |
| Climate Change and Community Resilience | Yes |

Air Quality, Transport and Urban Development Yes

Regional and Strategic Leadership Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

- . Water and Land
- . Biodiversity and Biosecurity
- . Climate Change and Community Resilience
- . Air Quality, Transport and Urban Development
- . Regional and Strategic Leadership

Water and Land portfolio comments:

make sure discharge is compliant so our water ways are healthier especially through use of native wetland and rain gardens. reduce amount of irrigation in alluvial soils. incentivise transition away from dairy farming. more support for community groups to carry out revegetation

Biodiversity and Biosecurity portfolio comments:

more support for community groups to carry out revegetation and pest control

Climate Change and Community Resilience portfolio comments:

Support option 1
Submit against Tarras airport
Improve zero emission public transport including rail to all centres incentivise use of rail for cartage and public transport

Air Quality, Transport and Urban Development portfolio comments:

Submit against Tarras airport
incentivise affordable central city housing to reduce commuting and development along public transport and rail corridors
incentivise apartments and sustainable design for efficient landuse
advocate against use of unsustainable building materials eg copper
advocate and support development of efficient and safe cycleway network including in rural areas especially to schools and major work places
incentivise zero emission transport options especially in public transport.
support and incentivise transition to EV

Regional and Strategic Leadership portfolio comments:

Collaborate with local and central government, agencies and education/ research institutes to achieve strategic goals.

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

consider a user pay contribution to aspects

Is the proposed increase in rates affordable as a whole for the Canterbury community? Don't know

Where do you live in Canterbury? Select your district below: Christchurch city including Banks Peninsula

Would you like to see us investing in the following initiatives in your area? Kaikoura

Would you like to see us investing in the following initiatives in your area? Hurunui

Would you like to see us investing in the following initiatives in your area? Waimakariri

Would you like to see us investing in the following initiatives in your area? Christchurch

- . On-demand public transport services
- . Using aquifer recharge to manage freshwater quality
- . Other initiative/s (please specify)

Other initiative/s (please specify) Christchurch

environment education including enviro schools and other forms of this.
