☐ Water and Land  
☐ Regional and Strategic Leadership

**Water and Land portfolio comments:**

canterbury land and water plan has cost 60 million over last 10 years and 25 million is proposed to be spent rewriting/updating for new plan in 2024

so wat differently outcomes with this new plan deliver currently there are targets that are challenging but possibly achievable are we going to set something that is unachievable and spend 25 million to keep central government happy

**Regional and Strategic Leadership portfolio comments:**

what outcome/improve is this going to deliver

**Is the proposed increase in rates affordable for your household?** Neither option is affordable

**Any further comments on affordability for your household?**

farmer arable 260 ha plus dairy 230ha another \$ 2600 per year with option 1

**Is the proposed increase in rates affordable as a whole for the Canterbury community?** No

**Any further comments on affordability for the community?**

there is only so much money to go around so who or what is going to miss out as council rate increase

**Do you support the changes we're proposing to how we apply Uniform Annual General Charges?** No

**Any further comments on Uniform Annual General Charges?**

should be more like \$ 150 not \$45 is council not one of the lowest in country % wise at 7% as most of activities in proposal benefits people and communities

**Would you support the use of borrowing for operating expenditure to offset some of the first year rates?** No

**Any further comments on the use of borrowing for operating expenditure?**

cannot borrow unless it capital asset otherwise you are spending beyond your means any private business would go broke if operated in this manner

**Do you support the rationale and proposed changes in the draft Fees and Charges Policy?** No

**Any further comments on the Fees and Charges Policy?**

need to become more efficient
