Are you submitting on behalf of an organisation?	No, I'm submitting as an individual
Are you willing to tell us more about yourself?	Yes
Which age category are you in?	25-39 years old
Which suburb or area do you live in?	
Which of the proposed options would you like to see us progress with?	Option 1: statutory work, prior commitments and accelerating key initiatives

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

In general a pretty well-done long-term plan. My only comment is that, for targets, instead of focussing so much on outputs (which are mainly activities and deliverables), instead focus on outcomes (short to medium term impacts). Plus, I would like to see the long term plan be more ambitious as the years progresses.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes
Climate Change and Community Resilience	Yes

Air Quality, Transport and Urban Development Yes

Regional and Strategic Leadership Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Is the proposed increase in rates affordable as a whole for the Canterbury community? Don't know

Any further comments on affordability for the community?

Perhaps there will be some assistance for low-income families

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Don't know

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? Don't know

Any further comments on the use of borrowing for operating expenditure?

It will depend on how much interest we need to pay back

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? Yes
