Is the proposed increase in rates affordable for your household? Neither option is affordable

Any further comments on affordability for your household?

Rates are high enough for what we receive.

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

**Any further comments on affordability for the community?**

Rates need to be as affordable as possible for many in our communities.

**Do you support the changes we're proposing to how we apply Uniform Annual General Charges?** Don't know

**Would you support the use of borrowing for operating expenditure to offset some of the first year rates?** Don't know

**Do you support the rationale and proposed changes in the draft Fees and Charges Policy?** Don't know

**Any further comments on the Fees and Charges Policy?**

**Any further comments?**

Not enough public forums for this consultation and too busy with too many consultations for CCC Long Term Plan and other consultation processes going at the same time. Not enough awareness about the processes and too difficult for many residents to even understand what is being proposed. The consultation process needs to be made easier and more accessible for residents and encouraging for Residents Associations to participate in.  
Can this consultation process be extended at all??
