Mr Chairman

A increase of rates. at 2% is outrageous  
please live within inflation. no grand ideas.  
the proposed rate rise is not affordable in these times.  
you and the council must stop treating the people like your  
own personal Bank where you go when you are short of money.  
most people have a budget on which they allocate and prioritise  
their spending (why) because they don't have the luxury  
of forcing other people to subsidise their spending,  
if you can't do that maybe you're not the right person  
for the job.

Respectfully " "

Thank you for taking the time to make a submission on the draft Long-Term Plan 2021-31.
