Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

I don't have a preference

Tell us more about why you support the selected bus fare option.

USER pays .. im sick of paying for other peoples activities . Face the facts most people will never use a bus. STOP wasting our precious rates money.

Any other comments on bus fares?

How about trialing people paying the full cost of there trips .. just like car owners do.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

Pay as you go DONT borrow any more money ... i cant aford ... have you heard about a thing called " living with in your means " ???

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

State highways are a central govt issue. Rail is the railways issue. Im tapped out ..stop spending MY money

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

Not my problem ... i dont live down there ... but they should pay for it themselves.

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

No required ... stop wasting my money !!

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

You lot need to live within your means ... the public can't afford the crap you spend money on ... you need to do only the very basics.
