Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

65+ years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

I don't have a preference

Tell us more about why you support the selected bus fare option.

I have no preference because buses are mostly irrelevant! I see buses daily with no or very few passengers, so they are driving around polluting the atmosphere for no good reason.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

I see no other option

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

I see no other option

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

As I live in Christchurch . that is not my area to comment on

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

I am a pensioner and I dont think that pensioners should be loaded with more costs as the pension is not adequate to live on! (You can exist on it but only just)

Where did you hear about the consultation?
