Which bus fare structure option would you like to see trialled? Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders Tell us more about why you support the selected bus fare option. The use of a wide spread public transport use requires a culture shift. Under 25 are the way to start. Start the use of public transport young and it should carry on Is borrowing and repaying through general rates the right approach for this regionally significant event? Yes Would you support a levy to accelerate action in response to climate change? No Where did you hear about the consultation?
