Mairehau, Christchurch

Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Do you wish to speak to your submission at a Council hearing?

No

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

Money will not solve the problem. Council's have been raising rates for 'Climate Change' for years and it hasn't got us anywhere.

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

I do not approve the rate increase!!!

If you would like to give feedback via video, add a link to YouTube clip or Dropbox file below

Do not raise our rates. You do not need it to fight climate change. That is a lie - money will not solve climate change. I DO NOT agree and DO NOT support a rate increase.
