No, I'm submitting as an individual

---

**Which age category are you in?**

25-39 years old

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

I support the option most likely to lead to large reductions in emissions, despite the proposed rates increase. Despite rarely using the bus myself (usually I cycle) I support the provision of an affordable bus network, and I'm happy to spend my rates on this. Free/subsidised fares for those who need them is the fairest method in my opinion.
