No

Which bus fare structure option would you like to see trialled?

I believe that transportation should be free for students and children. This helps low-income families & students.

Yes

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Yes

What current or future projects or activities would you like to see funded by such a levy?

Better bicycle lanes in Christchurch (separate from roadways). More trees in urban settings in Christchurch; so many neighborhoods are tree-less. I'd like to see more streets look like Linwood, Fitzgerald, and Chester St.
