Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

**Tell us more about why you support the selected bus fare option.**

I would definitely start using the bus again if it was free, and it would save our household a lot of money, with a high schooler who has to bus to school. My son is also under 25, would be better when he is working, as he has had to take 2 buses to work in the past .
