**Which age category are you in?**

25-39 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

Assisting people get around the city. Providing a free option of those who need it seem like the best way to do it.

I would support the inclusion of caregivers with children under 5 riding the bus for free between 9am and 3pm. Getting young kids on the bus will foster a love for public transport.

Don't know

---

**How else might we pay for our share of this work?**

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

-

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

---

**Any other comments on flood protection in Ashburton?**

-

---

Yes

---

**What current or future projects or activities would you like to see funded by such a levy?**

Public transport boost.
