Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

We urgently need more accessible public transport to reduce carbon emissions on Ōtautahi.

Any other comments on bus fares?

Transport is the largest contributor to ghg emissions in Christchurch. Making the bus system more affordable will help people change their transport habits. This change should also be accompanied by improved service and reliability.
