Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

I don't have a preference

Tell us more about why you support the selected bus fare option.

Your bus service does not appeal to me in any way

Any other comments on bus fares?

User pays. Stop taking money from the kitty to fund a service that isn't used.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

Central gov. They give my tax money to everyone else, why not the backbone of the country?

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

We pay enough rates and tax as it is.

Which option for distribution of rates in Ashburton River rating district do you support?

Option 2 (status quo): Keep the current distribution of rates in the Ashburton River rating district.

Any other comments on flood protection in Ashburton?

It happens. That's all part of being on a dynamic planet. Prepare for it, expect it and deal with it accordingly

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

Good greif, no more tax! Lobby china to give a hoot. We're struggling enough as it is, don't add more weight around our necks!
