No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Because we live in diamond Harbour, we've already had our ferry service cut, and with option one we would have increased rates with no benefit to ourselves, but to subsidise free travel for central christchurch

I don't have a preference
