No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

In order to reduce the amount of cars on the road you need to target those with cars and make it more cost effective to take the bus. Option 2 does this whereas option 1 is mostly targeting those who may not have a car anyway. The lower cost of travelling from Waimakariri will assist in offsetting the time it takes to take the bus when you are not able to take the direct bus.

Any other comments on bus fares?

No
