No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

Tell us more about why you support the selected bus fare option.

I like option one because it benefits the most people. I know several community card holders who struggle with rising bus fares, and I know it would have really made a difference to me when I was under 25 to have free buses.
