Which bus fare structure option would you like to see trialled?  Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders  Tell us more about why you support the selected bus fare option.  Because that would be easier  Any other comments on bus fares?  No  Is borrowing and repaying through general rates the right approach for this regionally significant event?  No  How else might we pay for our share of this work?	Do you wish to speak to your submission at a Council hearing?
