Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

I don't have a preference

Tell us more about why you support the selected bus fare option.

We need to encourage more people to use public transport as the roads are getting so congested at times

Any other comments on bus fares?

Make them affordable

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

Public/private partnership. Eg construction of significant infrastructure

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

We need to balance the funding mechanisms eg we mustn't just borrow to fund

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Any other comments on flood protection in Ashburton?

These are nationally significant issues and should be funded accordingly. Contribution to national GDP.

Would you support a levy to accelerate action in response to climate change?

Don't know

Any other comments on future funding for responding to climate change?

See above
