No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I am a regular user of the bus service and of course benefit as a super annuitant with my Super Gold Card. I have no doubt that option 1 would be of immense benefit for users and give really good relief to those on lower incomes or with student loans. . In view of the rising cost of living I also submit that Community Service Card holders also be included.

Would you support a levy to accelerate action in response to climate change?

Yes
