Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

It caters to the widest range of people and is applicable to myself. I would potentially take the bus more if fares were cheaper as a \$10 top up seems to only last what feels like 2 trips if not returning within 2 hours

Any other comments on bus fares?

They currently seem quite expensive. Another alternative is to extend the free return trip length

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Don't know
