No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I use the bus daily and think it offers good value for money. It has been the reason we have not bought a car since moving to Christchurch.

Any other comments on bus fares?

I would be willing to support Option 2 as my second choice. I feel options 1 and 2 provide better fare equity.
