Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Better for the environment

Any other comments on bus fares?

Should be free for all. Equal opportunity can start small.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

By taxing the ritch

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Taxing the ritch, and higher taxes on big co2 poluting companies

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

More green space

Would you support a levy to accelerate action in response to climate change?

Don't know

Any other comments on future funding for responding to climate change?

Selling or renting out allotments in the redzone.

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

More green space where people can grow they're own food and craft products for the community.

Where did you hear about the consultation?
