Central govt

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Central govt

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

You are demonstrating the epitome of left wing virtue signalling. As you point out climate change is a global challenge and is already being addressed at the multinational and national level. Stick to your day job and stop this ridiculous posturing that you can do anything beyond central govt on this issue

Where did you hear about the consultation?
