Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

65+ years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

I don't have a preference

Tell us more about why you support the selected bus fare option.

low fares are not the answer.. bus will only be used by people who have all the time in the world, too young to drive, too old to drive..or lost their license

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

stop wasting money on unnecessary projects, stick to the basics

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

insurance

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

build an alternative bridge

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

stop proposing 24% rate rises keep rate rise to the inflation only become more efficient in the money you get stop being so unrealistic in your aspirations and get your head out of the sand, and face reality!!

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

keep max. rate rise to rate of inflation see previous comments

Where did you hear about the consultation?
